

## Mannum Lions Australia Day Youth Advancement Grants 2027

### How to apply (read this bit first)

The Lions Club of Mannum is offering substantial grants to youth living in and around Mannum to assist with their aims and goals regarding future job opportunities and career choices.

These grants are designed for those who need one-off extra financial support that they cannot receive through their families or from other sources, such as the government. Examples may include equipment, course fees, competition attendance, work clothes, and transport.

A grant amount of up to \$2000 is available to each successful applicant. To apply you will need to:

- be between 15 and about 18 years of age at the time of applying for a grant
- provide an Application (see below)
- attend a brief interview at a suitable time/place around the end of October
- be available, if possible, to receive a special grant certificate at the Mannum Lions Australia Day event on 26 January next year
- agree to spend received funds honestly, and provide receipts and other evidence if requested
