FUTURE LIFESAVERS

PROGRAM

NOVEMBER 2026 - MARCH 2027 | FREE | 13-15 YEAR OLDS
IN PARTNERSHIP WITH MURRAY BRIDGE LIFE SAVING CLUB

SWIMMING LESSONS

All participants receive a pool and river participation pack (towels, caps, goggles, bathers and club merch) and take part in structured pool, river and beach swimming sessions to build skills, confidence and open water safety.

LIFESAVING SKILLS

Ocean and river sessions introduce essential lifesaving techniques, including hazard awareness and rescue skills, giving participants the confidence to act safely in real situations.

SURF RESCUE CERTIFICATE

Participants who complete the program earn their nationally recognised Surf Rescue Certificate, enabling them to become official lifesavers and volunteer in their community. Completion of SRC can also contribute towards SACE credits!
